Printed versions are available from school districts upon request.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Oakbrook Elementary School continues to “Plant Seeds of Excellence”. Our revised mission statement, “Oakbrook Elementary School provides students with the skills necessary to be college and career ready with rigor, relevance and relationships” drives our decision-making. With the implementation of more rigorous learning standards in grades 3 – 5 this current year, we now have all grades, kindergarten through fifth, implementing more rigorous learning standards.

Oakbrook Elementary has strong parent and community support. The focus of our School Improvement Council meetings this year was to share information about new initiatives. In grades K-5, we implemented “Units of Study”, a writing program by Lucy Calkins to strengthen the writing skills of students at Oakbrook Elementary. We know that in order to be college and career ready, our students must be strong writers. We also shared information on more rigorous learning standards at all grade levels and how the standards increased in difficulty through each grade level. Assessing what the students know and are able to do, and utilizing data to plan future learning was explained at these meetings along with Parent Information Nights for our kindergarten through second grade parents. We will continue to work on partnering with parents on how to best support their children’s learning at home.

Another new initiative was our Health and Wellness campaign partnering with MUSC and Boeing. Through this initiative, our school family identified strengths and areas of improvement to increase the overall health and wellness of our students, faculty and families. A total of \$2100 was awarded for future initiatives for the 2014-2015 school year.

This year our students participated in the second annual Oakie Spoleto. Students experienced various cultural events such as an opera singer, string and band groups, various percussion instruments, mural and film making, metal sculpting, sweet grass basket making, as well as origami.

We are proud of our accomplishments of Palmetto Gold for Academic Excellence and Palmetto Silver for Closing the Achievement Gap. We will continue to strive towards excellence and support our learners. Our Title 1 plan continues to focus on Response to Intervention for our students.

With our staff, parents and community working together, we will continue to “Plant Seeds of Excellence.”

Monica O’Dea, Principal
